

A selection of the Pre school Leavers parent comments and Thank you cards comments.....

"Henry & Kitty thoroughly enjoyed their time at Polly Anna's. the staff are always happy and approachable. They have always been willing to talk if I've had any concerns about the children and the level of care is of an exceptional high standard. The support and advise we received has been invaluable and we couldn't have asked for a better start to their lives, Thank you. PS: Sarah helped me so much, I really like her (love Kitty).

V. Hill (Mum)

"We have always found that Polly Anna's provides a safe, caring and supportive environment for our daughter. She has thrived during her time there as a result of varied activities and close attention that she has received. As parents we have always enjoyed hearing about everything she has got up to during her day. All members of staff have always been professional, friendly and approachable. Polly Anna's have provided our daughter with an excellent foundation to now move confidently on into her school years." D. Godden (Dad)

" Everyone! Thank you so much for everything you've done for Jamie. He 's changed and grown so much and I'm so glad he's been with you. I can't think of a better way to prepare him for school and he's gained so much knowledge and confidence. You all deserve a medal for the hard work and commitment you give and Jamie and I are certainly grateful! Thank you all again!" M. Smith (Mum)

"Thank you to all at Polly Anna's for the care and kindness you have shown to Alex & Kim during the time they have been with you. They have both loved being at nursery and gained so much from it. For Alex (four years after he left) to be still able to chat with the people who looked after him at pre school (when collecting Kim) is a testament to the staff continuity that you maintain and family atmosphere of the nursery. All staff have been brilliant with Kim, Wendy in particular has been such a lovely key worker, always letting us know the latest anecdotes from her day and taking such a pro-active approach to her hearing issues. We will miss you as much as the children will!"

J.Hossel (Mum)

Ellie has loved been at Polly Anna's she has a great relationship with the staff, which goes to show what an amazing team they are. Staff are always smiley and friendly. I felt like Ellie was going to people I had known for years. It has made me feel very easy to leave her. Ellie has always been happy to go to nursery and this is due to the great team of people who worked with her. Every worry and concern has been easy to speak about with Helen or Wendy, they both made my anxieties about her needs a lot less. Fantastic Team, Thank you so much!

H.Winter (Mum)

"Thank you all so much, Emily has had a great time at Polly Anna's and really come on in all aspects. Your staff have been brilliant and the nursery clearly provides a safe and welcoming environment for the children to flourish. Thanks for everything and we may see you soon when we decide to send Lucy to your nursery.

M.Usher (Dad)

And more.....

" The staff have done a wonderful job, but the management set the overall tone and ethos of Polly Anna's. I'd like to thank you all so much for the excellent care and nurturing that Polly Anna's has provided my daughter. One great asset is the family run nature. You have shown such interest, care and patience, along with your staff's expertise my daughter has developed in many different ways, it's something I am incredibly grateful to you for. I knew of your excellent reputation before she started at Polly Anna's; I now know that reputation is very well deserved and true! You have provided a wonderful environment for her to grow and develop and where I knew she was getting the best possible start. Thank you! A&D M (Mum & Dad)

" Just wanted to say thank you very much for looking after Emily for the last 2 and a half years. We can remember when she first started and would cry, she has certainly changed since then and really come out of her shell. Emily is especially good with her writing skills and we feel this is down to the time you spend with her, so thank you very much. HU (Mum)

" Thank you for all the care and support Oliver has received over the past few years. His enthusiasm for starting school is predominantly thanks to the wonderful work of the pre school team. Oliver has thoroughly enjoyed himself at Poly Anna's and we look forward to Samuel following suit! B&M M (parents)

"The time has finally arrived today, for our youngest, to leave the warm and caring environment of Polly Anna's and begin her new journey in to school life. We have been visiting Polly Anna's now since 2005 when our eldest started in the babies. Both girls have really enjoyed their time at Polly Anna's both in the babies and toddlers and in pre school where they have learnt so much. Thanks to all the staff who have cared for Darcie & Hollie, you do a wonderful job! Much love & thanks. S&S Mordue (Parents)

" We would like to say a HUGE Thank you to everyone who has looked after Matthew & Abigail over the past/combined 6 and a half years. They have both loved coming to Polly Anna's and with you care and friendliness they have grown into confident happy children prepared for 'big' school. It will be strange not dropping either of them off with you." J + A L (parents)

" I would like to Thank all Polly Anna's staff for taking good care of me and giving me the confidence. I will miss you all, especially my Key person, Natalie Love you all, Ryan Ilyas Siddiqi

" A big Thank you to you all for all the love, care and attention you have given in looking after and teaching Maddy. You have all been a big part in helping me & dan bring up both our girls and watched them grow in to well educated little princesses ready for school. We could not have done it without the huge help Polly Anna's has given us. We will miss you all. Thanks again! D&D M (parents).

" Ryan & Liam have both really enjoyed their time at Polly Anna's. You have really helped them develop their knowledge, confidence and independence. They have always been happy going to nursery and it's been a weight of our minds that they were settled and well cared for. H&M C (Parents).

And even more.....

" Thank you for taking special care of Isaac for the past four years. He has grown from a timid toddler to a confident little boy. The experiences he's had at Polly Anna's have been super. We've appreciated all the little details, like behaviour certificates, toilet awards, as well as the much bigger 'special' days, like Christmas parties, the nativity and sports day. I think the communication and support from staff to parents is excellent. We're delighted that Isaac has had such a positive start to his education."

S&S Howson (Parents)

" Thank you for looking after Bobby for the past 15 months, he has really enjoyed coming to nursery, and made lots of friends. It's a lot easier going to work knowing that your child is happy. Thank you for being so lovely and caring and during difficult times, reassuring to myself. We feel Bobby has developed lots since coming to Polly Anna's and really enjoys phonics and writing. Our only regret is that we didn't use Polly Anna's earlier! Bobby will miss you all lots when he goes to school. We'll always remind him of where he got the good start in life."

C&L L (Parents)

" We ALL wanted to say a big thank you to everyone that works at your fantastic nursery. Rhys and Lewis have grown into two great boys and you certainly have to take some credit for that. They have both had such a wonderful time with you and learnt so much. You have prepared them both for the big step up to school with your hard work, commitment and most of all fun! We have never had to question anything that you do which is a testament to the tireless hard work and effort you all put in to providing such great facilities for children to learn and really enjoy themselves. I could go on for much longer than this card, but have not enough room! We are all emotional and sad that this time has come. But we are happy that they can move up safe in the knowledge they have been with such wonderful people at Polly Anna's. we wish you all the best for the future and you enjoy the continues success of the nursery. from the bottom of our hearts, thank you! Paul & Rowena (Rhys & Lewis) Elliott."
